

## The Watt-Ahh Event: Tuesday June 27, 2017 at 7pm

- Contains a Reservoir of Electrons
- Defends Against Oxidative Stress and Premature Aging
- Supports Mitochondria Functions
- Bridges the Physics and the Biology of Our Bodies

Delphi University has some exciting news to share with you. You all know about the benefits of water. Now is your opportunity to learn about a new form of water that has shown to have amazing healing and health benefits. It's called Watt-Ahh®. **On Tuesday, June 27, 7 pm at the Church of Wisdom (725 Old Silvermine Rd., McCaysville, GA),** we will be hosting an amazing guest speaker, **Rob Gourley**, who is coming to share with us his inventions. If you came to the Energies you may have heard us talking a little bit about one of them, **Watt-Ahh®**, an

electron-enhanced water that is one of a kind. Some of the Delphi staff and extended family have been drinking it for months. We have experienced firsthand some really remarkable health benefits, which prompted us to look into the next level of Rob's work, the **WIT machine** (Water Ion Technology).

When you add Watt-Ahh® to the WIT machine you get the healing benefits of the Polarized Water in a gas form. The body becomes super charged with Electrons, which, in turn brings balance and healing into the body. We believe that electrons provide the interface between the Etheric (the life or vital body which animates the physical) and the Physical bodies. The enhanced electrons of Watt-Ahh® enable you greater access to the healing benefits of the Etheric Body, resulting in many new and significant types of healing results. You need Electrons to heal and stay healthy. So, when you drink the Watt Ahh® or use the WIT machine, you are refueling your body what it needs to heal. The best part is its natural and it's safe.

We will have the WIT Machine in service at Delphi for three months following this event. If you are interested in learning more about this new and cutting-edge healing technology, and are drawn to hear Rob Speak, please RSVP right away, as we have limited seating. If you would like to schedule your own experience over the next three months with the WIT Machine please call **Luminara Wellness Center at 706-964-1172** or email: **Luminarawc@gmail.com**.

If you would like to read more about Rob, Watt-Ahh, and the amazing work they are doing, please go to [www.aquanew.com](http://www.aquanew.com) and at [www.wateriontechnologies.com](http://www.wateriontechnologies.com).

**Watt-Ahh® ... It's more than just water!**
