*Water is the driving force in nature.*

-Leonardo da Vinci

Dear Dana and Rob:

It is always a delight when we see a gift from our friends at AquaNew. Your Watt-Ahh rejuvenates us every day, but your special gifts to the children in our care rejuvenate our mission on a regular basis. We were overjoyed when you joined us for the Childhelp Drive the Dream Gala and your seatmates Daphne and Michael send their very best. They truly enjoyed getting to know you and hearing all about your scientific breakthroughs.

We hope to see you at a future event, but until that day, we are so blessed to have you in our lives. We appreciate your compassionate campaign to ensure that each bottle purchased helps the children of Childhelp and thank you for sharing our logo on your website, regularly including us in your newsletter, as well as your promotion of our mission at your events throughout the year.

Wishing you a season of great sales, stupendous development, new customers and continued success spreading your message of health and wellness through water. People who use their talents to create great products for the world are already amazing, but when they expand that largess to take care of the most vulnerable among us, they are heroes.

For the love of a child,
